

R B Agarwalla & Company

Access covers since 1958

Company Profile

CELEBRATING
65 YEARS

Established in 1958,
**R.B.Agarwalla & Company
(RBAC)** is a family owned
organization and is today
India's largest
manufacturer & exporter of
Grey Iron and Ductile Iron
Castings. Product
applications include usage
in utilities, municipalities,
telecom, water distribution
and other infrastructure
projects.

RBAC manufactures
products as per various
international standards and
specifications. The company's
products are being exported
worldwide to all the **5 Continents**
and the quality has been accepted and
received very well by all its customers.

The group has **7 manufacturing foundries**,
six near Kolkata (Eastern India) and one near
Chennai (Southern India). The annual capacity to
manufacture is more than 85000MT of grey and
ductile iron products.

The entire group is certified to quality system assurance
per **ISO9001:2015**, **ISO14001** and **ISO 45001**. Most of
our products are certified to various international
certifications including **BSI KITEMARK EN124:2015**.

Why RBAC?

RBAC is a specialist in all Municipal castings products.

R.B Agarwalla & Company excels in providing complete range of manhole covers and frames with optimum design that makes our products strongest, lightest and safest in usage.

Our capabilities include:

- **Deep Product & Domain knowledge:** More than 15000 active products for more than 80 different countries worldwide. Deep domain and product knowledge
- **Manufacturing flexibility:** one of very few to offer the entire spectrum of green sand molding techniques: Hand, Low-pressure machine molding, High-pressure machine molding and Air impulse machine molding
- Quality assurance with complete process and product control of **Critical to Quality** parameters
- **Aesthetics:** RBAC products are aesthetically beautiful providing crisp and clear surface and markings
- **Unlimited options:**
 - Special features like anti-theft, high-pressure water tightness, gas tightness, self-lock, sand sealing, etc
 - High-performance coatings like epoxy, powder coating, CED, Fusion Bonded epoxy etc
 - Hot dip galvanized or high wear resistance (salt spray tested) top coats
- Fully committed to satisfying our customers
